Meet the New Lodge Officers

This past weekend at Fall Fellowship, new lodge officers were elected to serve the lodge for the 2018-19 lodge year. Each officer is going to do a great job at fulfilling their new responsibilities in the lodge. Below are biographies for each of the new officers. Email accounts for each officer may not be fully set up until one week after the publication of this newsletter, so please refrain from contacting them through these emails until then. If you need to contact a lodge officer and their email is not set up, please contact their adviser.

Meet the Lodge Chief

Hello, my name is Matty Gates, your current Lodge Chief. I'm 17, a life Scout in troop 101 and involved in many other curricular activities as scouts is one of them. I am a member of the dance team, the drum/sing team (Twisted Rawhide), The Pre-Ordeal, Brotherhood and Ordeal ceremonies team as (Kichkinet) for all three of them. This year I would like to see increased participation from everyone in the lodge. We are doing pretty well now but I know that if everyone found a way to use their unique talents in service to the lodge we could be amazing. I challenge every youth to look through the list of committees pick one or two that they might be interested in, and send an email to the lodge officer that the committee reports to If you have an additional skill, talent, or passion and you are not sure how it can help the lodge please email me at: lodge.chief@tsalilodge.org and I will help you find a way.

A Note From the Camp Director

To the Tsali Lodge brotherhood,

Thank you. You do not likely hear it enough. Your contribution every week to the program of Camp Daniel Boone is both important and valuable. The campers benefit each week from your presentation that encourages all watching to give just a little bit more in the spirit of cheerful service. You are most certainly an asset to Camp Daniel Boone.

Looking Back at the Year as Secretary

Hello Brothers,

It has been a great year as your Secretary! The Bow won second at Dixie and all 12 editions were published. I would like to thank everyone who wrote me an article throughout the year I couldn't have done it without you. I would also like to give a special thanks to my advisor, Mike Nail, and Samuel Brown for all their help all year. I am looking forward to helping the next secretary and reading The Bows he puts out. Thanks for the great year!

Owen Koppe - **Past Lodge Secretary**

Chiefly Speaking

Brothers,

I have so thoroughly enjoyed my term as lodge chief over the past year! We have experienced great success at both NOAC and Dixie with our Indian Affairs and Ceremonies teams! We have also had some great events over the past year! Although my term is over, I have confidence in the incoming Lodge Chief, Matty Gates. I plan to continue my participation with lodge and section events and will be serving as the 2018-2019 SR-5 Ceremonies Coordinator. I have had a great time serving as Tsali Lodge Chief and I am excited to see where Tsali progresses from here!!!

October's Featured Patch

Here is a flap that will truly get your attention. It's the S114 trader for NOAC 2018. This one was made available recently since this event was just held this summer, but I look for it to become scarce soon. There were only 200 made and only 20 were available for purchase at the Summer Ordeal in the Trading Post. A limit was put on how many an Arrowman could purchase since supply was limited. I hope you can get your hands on one of these for your collection if you haven't already. If you have any information on or just want to talk flaps and patches, email me at thetea_man@hotmail.com or come by the Trading Post. I'll see you there.

Weldon Clinard
