Coastal Chapter Update

Hey Brothers, just wanted to give you an update on the Tsali East Coast Beach Chapter. We've had several chapter meetings, with 100% attendance and I'm happy to share with you our latest news. During our January meeting I was elected Beach Chapter Chief, Pierce Asaad is the Chapter Advisor Elect, taking office April 2, 2018. We are working on designing a limited edition Chapter Patch, also we are discussing how to house our Tsali brothers who

visit during the summer, maybe a beach Pow Wow. Our temporary lodge chapter sign will include this image: Let me share with you our latest fishing update, We're having very good fishing. Red drum are being caught in the backwaters and speckled trout are being caught in the mouths of the creeks. Some of the preferred baits have been Bett's Halo Shrimp, Bett's Halo Shad, Gulp Shrimp, Paul Brown Corky's, MR 17's and Carolina rigs with fresh mullet.

That's all for now, I hope to see everyone at Fellowship or Spring Ordeal.

Dimitri Asaad

April's Featured Patch

Here is a flap that is truly one of my favorites, because it is very elusive, hard to come by and I don't have it in my collection. It's the S22 1985 Dixie delegate flap. I do not have a lot of information about this issue but owning or obtaining one of these will take some serious cash or some very selective sought after flaps. Good luck acquiring one of these for your collection. If anyone has any patch information you would like to share please feel free to contact me at thetea_man@hotmail.com or drop by the trading post....

I'll see you there!

Weldon Clinard
