## Summer Ordeal 2022

Recently, Tsali Lodge held our annual Summer Ordeal at Camp Daniel Boone. The weather was very nice and many new members were inducted into the lodge; this event included eleven ordeal inductions, seven brotherhood inductions, and one special vigil induction.

The event began on Friday the 19<sup>th</sup> with a game of introductory bingo. As there were many first-time attendees, the time was mostly spent getting to know each other. The next day, camp was buzzing with people playing frisbee (as well as brotherhood candidates preparing for the afternoon.) For much of the day, we folded tents left over from camp and went

between the campsites, preparing the tents that were still up for being taken down. At dinner, there was a drum performance which many people participated in.

All in all, the ordeal was a successful event. We would like to thank all those involved with setting up and carrying out this event, as it is their assistance and time that made it happen without any problems. Thank you, Tsali Lodge!.

## 🏹 Show Your Creativity in the Lodge

Do you have ideas for patches you'd like to see at lodge events? Would you like to request a specific item in the trading post, that isn't there? Look no further, because Tsali Lodge needs your ideas!

If you have a patch design idea—such as for log rolling, the anniversary of the lodge, NOAC 2024, or a Fall Fellowship—you can send it to [hank@birdsongfamily.com](mailto:hank@birdsongfamily.com). Ideas can be full designs, sketches, or even just a

brainstormed list of things you'd like to see; they don't have to be complete! We would love to hear your feedback. Additionally, the trading post also needs your help. If you'd like a specific T-shirt, or a specific item, now is the time to request that it be added so that it will be available for purchase at lodge events. Requests are not a guarantee that an item will make it in, but all requests will be considered. If you are interested, please email [trading.post@tsalilodge.org](mailto:trading.post@tsalilodge.org).

Although a current deadline for patch ideas is upon us, we can always use new ideas! Thank you all for helping!

## 🏹 NOAC 2022

As many of you know, the National Order of the Arrow Conference took place at the University of Tennessee in the last week of July. This event fully encompassed everything our order had to offer. The Tsali lodge NOAC contingent participated in many events and even took home second place in southern drum. NOAC didn't only offer American Indian Activities though; there was patch trading, games, shows, and even a festival with mini golf and many other carnival games!

We all got to know some people from across the country and learn about their lodge as well as tell them about ours. Sadly the event only lasted one week, but those who participated had a great time. We made many memories through it all. From fun and games to scooter crashes and falling out of the bed, I can proudly say that we all survived NOAC.

## Patch of the Month

This month I would like to talk about the Elangomats honor group flap. It was issued on 4/13/13 and is a S-87 in the patch guide. There were only 200 made and 100 of them were sold just to lodge members with a limit of 5. This flap is given out to members that serve as an Elangomat on ordeal weekends.

This patch was made and given out as a thank you for your service in guiding the candidates through their journey to become part of our Brotherhood. It is a great one to have and to add to any collection. If you ever want to talk patches come by the lodge Trading Post at any of the events and see the staff.

## Upcoming Fall Fellowship and Elections

On October 7-9, join Tsali Lodge for our annual Fall Fellowship!

This event will be held at Camp Daniel Boone just before the weather gets very cold. Fellowships are a great time to get to meet your fellow brothers and sisters in the lodge so make sure not to miss it! There is something about Fall Fellowship that sets it apart from other events, though; this is when we have our annual lodge elections.

If you would like a leadership position in the lodge, please make sure to attend so that you can run and potentially get votes. Furthermore, if you would like to meet lodge leadership, you should also attend so that you can meet us. We'll see you there!

## **Important Dues Price Notice**

Hello, Tsali Lodge.

For the past several years, the price for membership in Tsali Lodge 134 has been \$15 annually. However, effective immediately, **this price has been changed to \$20 per year**. This means that from now on, the dues payment form for the 2022 or 2023 year will charge an additional five dollars.

If you have paid dues preemptively for the coming 2023 year, you do not have to pay the difference. However from this point forward anyone paying for lodge membership will have to pay \$20.

Though Tsali Lodge 134 does not strive to make money as its primary goal, funding is a necessary element to having a complete program. This change has been made in order to reflect the current expenses of events at the Lodge, so that they can continue to be offered at a consistent price.

Thank you for your understanding and continued support!
