UPCOMING: LODGE LEADERSHIP DEVELOPMENT

By Robbie Pacilli, VC Indian Affairs

Lodge Leadership Development is the primary training program for local lodges, providing lodge leadership with the skills needed to plan and run a successful lodge program. The LLD program is designed to stimulate creative ideas and develop solutions that will enable the growth of the lodge.

I am looking forward to a day and half spent with my fellow brothers in Tsali's leadership coming up with great ideas to help Tsali grow and ensure we're around for years to come. Are you an officer and not registered yet? Register today on our website!

RECAP: WINTER BANQUET

By Jackson Laufer, Vice Chief of Program

Thank you so much to everyone that showed up to our annual Winter Banquet. We are very thankful for everyone's generous donations with our canned goods. We had an excellent night of wonderful food, a drum performance, awards, and door prizes. I am very appreciative for all those that can early to help set up and all those that stayed late and cleaned up.

This would not be possible without everyone that worked behind the scenes to make this wonderful event a reality. I would also like to congratulate the Vigil candidates (pictured to the right), and the recipients of the Founders award and the James E. West award. One more huge thanks for everyone that came out. I hope you all have a great holiday.

PATCH OF THE MONTH

By Weldon Clinard

Here is the latest and final Event patch for 2023. This is the patch that was given out at the Winter Banquet, December 2, 2023 at Skyland United Methodist Church. This patch was designed by Joseph Franklin and features the constellation Libra. Libra is located in the southern sky and has a strong influence in mythology, astrology, and hard science. For our ancestors, the constellation was long associated with harmony, balance and even justice. These patches are still available in the Trading Post, so stop by and pick one up for your collection before they're gone. If you have any information or just want to talk patches please stop by the Trading Post or email me at thetea_man@hotmail.com. I'll see you there!
