Tsali Lodge Supporting Ukraine

In light of the recent conflicts in Ukraine, a large humanitarian crisis in Europe is underway. In order to help, Tsali Lodge designed and sold patches bearing the Ukrainian coat of arms and national colors. Right away, each set sold out, raising a total of \$4,500 for charities including the United Nations Refugee Agency, Sunflower of Peace, CARE, Doctors Without Borders, and UNICEF.

Though the patches are sold out on the website, a few sets will be available in-person for those attending Spring Fellowship for \$30.

If you would like to do more to help please consider donating to any of the above organizations yourselves. Though the danger is across the Atlantic, the safety of all people affected by the war is on the hearts and minds of the Arrowmen of Tsali Lodge.

Upcoming Spring Fellowship

The 2022 Tsali Lodge Spring Fellowship will be held April 8-10 at Camp Daniel Boone. It's a weekend of fun, games, and fellowship. It is a time to reconnect and visit with fellow Arrowmen as well as practice OA activities and meet and work on lodge committee meetings. At every spring fellowship, we do a small work project to benefit camp, eat lots of good food, patch trade, and conduct committee meetings. Not only that, but we also have several quest events at each fellowship. Quest events include things such as kick ball, arrow toss, tent pitching, tug of war, knot tying relay and more; sometimes we even offer archery and tomahawk throwing.

You can register online for Spring Fellowship at <https://forms.tentaroo.com/view.php?id=7736029> Member cost for the event is \$30, and that includes food, lodging, and the event patch. 2022 All Access Pass holders will be automatically registered for this event.

OA HIGH ADVENTURE

High Adventure Base

Each summer, the Order of the Arrow offers a myriad of different High Adventure opportunities to meet your summer needs. Maybe wetting your appetite by going for a plunge in the Atlantic Ocean with the Ocean Adventure at the Florida Sea Base. Or maybe hiking is your passion; if so, what better

place to go than the Philmont Scout Ranch, where you can hike the same trails as your Scoutmaster or Scouting ancestors as a part of your Trail Crew experience? Have you ever thought about what the Native Americans and early explorers did to be avid traders? Maybe the OA Voyage is your calling. Whatever your summer aspirations may be, these National High Adventure bases have put together a multitude of options for you. Along with your one-week trek completely designed by you, each Arrowman will be afforded the opportunity to leave their mark in history by helping to sure up portage trails, backpacking trails, or coral reefs. Aside from providing a good deed to each of these high adventure bases, every participant will have the opportunity to work closely with other Arrowmen from across the country, who have a similar interest in the future of both the program and the adventure base.

You may be thinking that this is a daunting task, but it is an experience unlike any other afforded to you in Scouting, in that it takes you out of your world and places you with people who want to do something different. It's not every day that you can tell your friends that you climbed into Cypher's Mine, watched the Northern Lights from a canoe, or went scuba diving in the Florida Keys.

These programs help to ensure that the future of Scouting has a place to live, work, and interact. This summer, try something new or do something you thoroughly enjoy! Your destiny awaits you...

March's Featured Patch

Here is a set that you'll definitely want to get for your collection. It's the S140 flap with X49 dangle trader set being issued for the upcoming Conclave 2022. This set was designed by Chris Williams and they are Sci-Fi/Spaced themed. The Flap Patch depicts the Earth from space, with sci-fi knives on the bottom. The dangle depicts a sci-fi buzzsaw to tie in with the ones on the Flap. There are 300 of these sets made and I'm sure they will be a hot seller. If you have any information on any patches or flaps or just want to talk patches, you can email me at thetea_man@hotmail.com or drop by the trading post. I'll see you there.
