### Fall Fellowship Recap

In October, Tsali Lodge was able to hold our annual Fall Fellowship at Camp Daniel Boone! It was a weekend full of service, fun, and good weather. Even after the devastation caused by the Canton floods, we were able to have a safe and successful event; our members worked hard to clear away rocks and repair various parts of camp, while afterwards the parade field found itself hosting several games of kickball.

The event had an attendance of sixty-five members. We were able to induct several new Ordeal Members, and Brotherhood members! We held an LECM and elected new officers into the OA's leadership. As our

Ordeal members overcame their challenges, returning members could be found studying for their Brotherhood; all around camp, lots of service work was completed in the aftermath of the camp flooding.

All in all it was a fun event loaded with rewarding activities that Tsali Lodge's members did joyfully. Well done attendees!

## **NOAC 2022 at University of Tennessee at Knoxville**

Brothers, registration is currently open for the 2022 National Order of the Arrow Conference being held July 25-30, 2022 at the University of Tennessee in Knoxville. At NOAC, contingent members have the opportunity to participate in trainings, competitions, patch trading, fellowship, and other fun activities with arrowmen from across the country.

The cost of NOAC this year will be only \$100 for any youth (Under 21) competing in any event. The cost for youth (Under 21) not competing in an event will be \$350, and the cost for adults (21+) will be \$575. To register, please visit [danielboonecouncil.org/NOAC22](http://danielboonecouncil.org/NOAC22). All participants must put down their \$100 non-refundable deposit by December 5th, 2021 to secure their spot. Any registrations after December 5th will incur a \$50 late fee.

This is the cheapest we have been able to offer NOAC in a long time, thanks to our fundraising efforts over the past four years. Don't miss out on your chance to experience NOAC with Tsali Lodge at such a discounted rate!

Don't know what events you might compete in? There are evaluations for ceremonies, competitions for drum and sing, group dance, individual dance, cross country, swimming, sports, and more! Contact our Lodge Chief, Alice Brown, at [lodge.chief@tsalilodge.org](mailto:lodge.chief@tsalilodge.org) to find out more about what competitions you could get involved in!

I can't wait to see you all in Knoxville for NOAC 2022!

## High Adventure Opportunities

If you're not sure yet what to do with your summer, the OA High Adventure program may be right for you. I've been to two of the BSA's national high adventure bases through OA High Adventure, and it's been highly inspirational both times. With any of the programs, the general idea is that you spend the first half of your time there doing service work like the OA is known for. For the second half, you get to explore everything the base has to offer, and you even get to see things that you'd never see by going there with a troop. It's truly the next step for older arrowmen.

Through these programs, I've navigated with the north star, rafted in Class V rapids, and sheltered through thunderstorms. I still keep in touch with some of the friends I met on my trek two years ago, because these programs cause you to become incredibly close to your crew.

Now, for the best part, these programs are CHEAP!! Some of you may expect a certain price based on your troop's previous experiences, but OA High Adventure costs a lot less. When I went to Summit, I paid them \$275 for eight days. I was at Northern Tier for 15 days, and I only paid them \$200!

The age requirement for OA Summit Experience is 14-17. For every other base, the ages are 16-20. If you're interested in registering, check out <https://oa-bsa.org/high-adventure> and let me know what you're thinking of - my email is listed below.

### A Message from the High Adventure Adviser

Greetings Chiefs and Advisers,

For those who don't know me yet, I am looking forward to meeting you. I am the new High Adventure Adviser coming from the East Carolina Council.

Northern Tier contacted me recently looking for recommendations for summer staff for next year. I regularly send them qualified staffers. OA High Adventure has openings for next summer. These are great opportunities to experience the High Adventure bases, cheerful service, OA development, and a great adventure. It is very reasonable as well. They have both co-ed and all male trips. More information can be found online  
Thank you.

## ◆ December's Featured Patches ◆

Here is a set of flaps you'll want to add to your collection. It's the 2021 NOAC Fundraiser Set S137,S138 and S139. The flaps were designed by Todd Knaperek and features Cherokee Native American beadwork. What a great way to honor the Cherokee Nation through our Lodge. There were 150 Sponsor flaps with yellow border and a Certificate of Authenticity (S-137), 250 Delegate flaps with red border (S-138), and 350 traders with a green border (S-139). Each set included 1 Sponsor, 1 Delegate, and 1 Trader (must have bought the set to get a sponsor flap). The extra 70 delegate flaps sold for \$5 each, and the extra 80 trader flaps were sold for \$3 each. Thank you Hank Birdsong for sending this information. If you have any info or just want to talk patches, please drop by the Trading Post or email me at [thetea\\_man@hotmail.com](mailto:thetea_man@hotmail.com). I'll see you there.

## Spring Fellowship

*When is Spring Fellowship?*

Spring Ordeal will be held April 8-10 at Camp Daniel Boone.

*What is Spring Fellowship?*

Spring Fellowship is a weekend of fun, games, and fellowship. It is a time to reconnect and visit with fellow Arrowmen as well as practice OA activities and meet and work on lodge committee meetings..

*What can I do as a member at Spring Fellowship?*

At every spring fellowship, we do a small work project to benefit camp, eat lots of good food, patch trade, and conduct committee meetings. Not only that, but we also have several quest events at each fellowship. Quest events include things such as kick ball, arrow toss, tent pitching, tug of war, knot tying relay and more; sometimes we even offer archery and tomahawk throwing.

*How do I register for Spring Fellowship?*

You can register online for Spring Fellowship at <https://forms.tentaroo.com/view.php?id=7736029> Member cost for the event is \$30, and that includes food, lodging, and the event patch.
